

7.2 Best Practice-2

Title of the practice- Green Campus Initiative

Objective of the practice- Raising Environmental Consciousness

The context-

- Environment consciousness
- Vermicompost Unit
- Maintain flora and fauna of the college
- Increase expenditure on green practice
- Flex & signboards to Green environmental awareness
- Herbal garden
- Solid waste management
- Minimize the use of paper

Practice- Environmental Deterioration is now a major source of concern around the world. Kalicharan PG College recognises its responsibility to educate the youth about the importance of environmental preservation by encouraging the adoption of a sustainable lifestyle.

- Employees and students are encouraged to use natural light, turn off lights switches fans and all other appliances when not in use.
- Waste water management.
- Plastic free campus.
- Awareness programs.
- Plantation program.

Evidence of success-

- Each initiative undertaken by the college is a small step towards the greater good of mankind.
- The flora and fauna in and around the campus have significantly increased.
- The reuse of paper in the college has been significantly promoted.
- Using sign boards and display boards for plastic prohibition has resulted in a plastic free campus.
- The students are made aware of environmental issues through NSS activities

Problems encountered and resource required-

- High cost green measures such as rainwater harvesting installing waste management system and expensive solar panel system continue to be hindered by financial restrictions.
- Altering peoples attitude/mind sets.
